

The UK's No.1 Coldplay Tribute Band

# COOLPLAY

COOLPLAY are THE tribute to chart-topping act COLDPLAY. Formed in late 2002 by experienced musicians COOLPLAY are one of the UK's top tribute acts. The band perform over 90 minutes of Coldplay music from 'Parachutes' and 'A Rush Of Blood To The Head' 100% live with no backing tracks, including top 10 hits Trouble, Yellow, In My Place, Clocks, Shiver, Don't Panic, and The Scientist. The band have worked hard to exactly recreate the sound and emotion of Coldplay.

Performing across the UK and Ireland at major tribute band venues, festivals and universities, COOLPLAY have appeared on the same bill as many named acts including Appleton, Lisa Scott-Lee, Limahl, Lisa Mafia, Bad Manners and Slade. They have also appeared often on Centre Stage at Butlins resorts around the UK including featuring in dedicated Tribute Bands themed weeks.

COOLPLAY have also been heard on major radio stations including Radio 1 and have featured in national music press including NME and BANG.

COOLPLAY have their own roadcrew and can provide full PA and light show if required. You can download full length CD quality demos at [www.coolplay.co.uk](http://www.coolplay.co.uk)
